

Snow News

Presidents Message

Our trails are marked (some people have marked them more than once). The groomers are out and all we need is about 6" of snow to get the trails open. We had a few changes this past year in our executive and everyone seems to be adapting well in their new position. The Palmerston Snow King volunteers are doing an excellent job this year with everyone pitching in. Like usual it sure makes my job an easy one, easy one, easy one. I do encourage all our members to come out to our meetings to see how things work and why we do all the things we do. We have over 400 members and we only get to see about 30-40 of them. We do not have a complaints department. All we have are volunteer positions to be filled. Our meetings begin at 7:30, at the clubhouse on the 3rd Wednesday of the month. Come out and show your support in what we do. Maybe bring some new ideas and insights. Stop to thank a volunteer or pick up a stake that has fallen over. Remember to keep the rubber side down. Ride Safe. Ride Sober. Most of all enjoy your ride and the scenery.

Brad Scott

Trail and Groomer Coordinators

We would like to thank all the trail bosses for the great effort in getting their portion of trail marked. Sometimes doing it once isn't

enough. With the weather we had, doing it twice and sometimes three times. Right Brad. Grooming operations are in full action for the second time. As of January 10, we need another 10 to 20 centimeters of snow to make the trail open. Lets cross our fingers it will come.

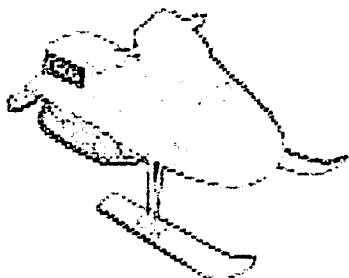

John Landman & Ron Ash

Vice Presidents Report

Hello all, I hope everyone had a very good Xmas and New Years. To bad the snow didn't stick around. As usual there is still a lot of behind the scenes work going on within the club. I would like to take a moment to thank all the volunteers for their tireless effort. It is very frustrating when so much time goes into something and Mother Nature doesn't cooperate. That being said we can't do much about the weather, other than just work with what we are dealt. Please keep in mind of our 100 miles plus poker run on February 14 and of course our wing nights on the second Wednesday of each month.

And finally THINK SNOW and keep the rubber side down

Jeff Hamilton

Secretary Report

It's the middle of January and there is not too many miles on my new (?) sled. Let's hope we get more snow and this time it sticks around for a while. The Palmerston Snow Kings have already sold 436 permits this season. The 3 day & 7 day permits are being sold at Mapleton Trailers and the Redwood Restaurant in Clifford. A 3 day permit is \$90.00 and a 7 day permit is \$120.00. On December 6 we had 20 eager little learners that took the Driver Training Course. They all passed with flying colors, so watch out when your out on the trail. Are new website is up and running so don't forget to check it out at www.palmerstonsnowkings.ca. Volunteers are needed to help plan our "40th" Anniversary Party. The arena hall is booked for October 30, 2010. So leave that date open and don't forget to help out. Pray for snow!

Irene Steenbergen
