

PALMERSTON AND DISTRICT SNOW KINGS NEWSLETTER

From the President

**Happy Anniversary every one.
wow 40 years
I just want to take this time to
Thank all past/present volunteers for
all
their hard work and determination
to make this club a success over the
last 40 years.
If it was not for all of these past/
present volunteers
we would not be celebrating our
40th
year.
It is truly amazing to do what we do
when we
all pay the same price for our per-
mits.
Its all about pride and satisfaction.
Our meetings are scheduled back to
Wed nights
7:30 at the new clubhouse.
For info call 519-343-4711
WE NEED NEW VOLUNTEERS
p.s Keep the rubber side down
Don't drink and ride
7th year president
Brad Scott**

Executive Meeting - February 2nd
100 MILE RUN - FEBRUARY 12TH
General Meeting - February 16th

General Meeting - March 23rd
General Meeting - April 13th

Hello,

This year I have the privilege of being both Vice President and Groomer Coordinator. As I am warned by our greying President that my time is getting close. However, to take over his job I think I am going to need a lot of training.

The grooming season is coming and we were able to acquire a new to us groomer which is a New Holland TSS 110 made by Ebert Welding with low hrs. We will be pulling the largest drag we have ever had at 9 ft. Also we will be using our 2004 Bell unit on weekends and on the feeder trails leaving the Bill and Tourism Loop groomed smoothly. With more frequent passes this year all groomers in the district will be equipped with GPS monitors to allow better management of groomer passes and also the safety of our Operators.

See you on the trails! Be safe!
Ron

Remember, if your snowmobile
is 1995 or older, you now qualify
for a Classic Trail Permit.

For more information go to
www.ofscdistrict9.ca OR
call 1-800-387-7669.
